This is a crash course for new plant personal and opportunity for those who are experienced to meet experts in the field to discuss their current problems to enhance their plant operations. The course material will also serve as a useful reference for processors, product formulators, chemists and technicians as well as business managers familiar with Aquafeed, extrusion, nutrition and feed management.

This is the only extensive program in Europe that covers a wide range of topics with specific practical aspects!

TARGET GROUP

Decision makers such as sales and marketing specialists, Equipment manufacturers, Product formulators, Plant engineers, Processors, chemists, and technicians.

LIST OF SPEAKERS

Mr. Alain Brisset, Marketing Manager, CLEXTRAL, /France
Dr. Peter Coutteau, INVE Aquaculture Nutrition, Cadiz, /Spain
Mr. George Flammer, Market Segment Manager, Petfood, Aquatic Feed, Bühler AG Feed & Oilseed, Uzwil/Switzerland
Mr. Mark Heimann, Applications Manager, Roskamp Champion, USA
Mr. Galen Rokey, Process Manager, Application Technology, Wenger Manufacturing, Sabetha, Kansas, USA
Mr. Konrad Schwarzer, Technical Manager Additives, INVE Nutri-AD, Dendermonde, Belgium
Dr. Tom Verleyen, Kemin Europa NV, Herentals, Belgium
Dr. Nabil Said, Director of Technical services, Insta-Pro International, Des Moines, Iowa, USA

TENTATIVE TECHNICAL PROGRAM

Fundamentals of Introduction to Extrusion Technology

– Mr. Galen Rokey

Process Optimization and Equipment Selection for Extrusion, – Mr. George Flammer

Single and Twin Screw Extruders – Mr. Alain Brisset

Aquatic Feeds: Technology and Products – Mr. Alain Brisset

Feed Preparation Technology (sizing; and density) – Mr. George Flammer

Material Handling: Cleaning, Conveying, Mixing, and Coating – Mr. George Flammer

Nutritional Advantages of Extrusion & Extrusion –

Expelling of Soybeans in Livestock Feed – Dr. Nabil Said

Adding Value to By-products Including Fish Waste Through

Co-Extruding with Soybean Meal and Local Ingredients

– Dr. Nabil Said

High Fat Extrusion – To be confirmed

Aquatic Feed Extrusion: Applications of Twin Screw Extruders – Mr. Galen Rokey

Grinding for Aquatic Feeds – Mr. Mark Heimann

Filling Nutritional Gaps in Aquafeed Milling – Dr. Peter Coutteau

Aqua Feed Quality Control: Chemical and Microbiological Stability – Mr. Konrad Schwarzer

Aqua Feed Quality: Lipid Oxidation, and Palatability – Dr. Tom Verleyen
